Obligations for suppliers of goods and/or services

As a supplier of goods and/or services to Garda Sikring, the Supplier undertakes to:

- To familiarize yourself with the Garda Sikring Code of Conduct and conduct its business in a manner that does not violate it.
- To notify Garda Sikring without undue delay in the event of a breach, or suspicion of breach, of the above obligations in its own operations or with any subcontractors. Garda Sikring may require documentation.
- To deliver information about item purchases, materials, production processes, and supply chains if needed.

Signature

By signing this document, the Supplier undertakes to meet and comply with the requirements and expectations described.
